

Sharon Palmer claim # 49544

①

06/11/12

My name is Sharon Palmer. I had a claim against General Motors for malfunctioning air bag. The air bag did not deploy on impact and I received injuries. The front end was severely damaged. This incident started on May 23rd 2012 when I called for a follow-up on my claim. Attorney Makala Whitman called me back and stated Dickstein and Shapiro requested additional information and that the mail was returned to them. She stated a hearing on Thursday May 24th was to dismiss claims with no additional document on the claim. I told her they did not send anything to me by postal service or I would have received it and verified my address with them. I explained to her my address had changed but I changed it thru the post office and all my mail would have been forwarded. After this conversation she requested I send all documents concerning my claim to her. She stated she would have the objection adjourned. And I received that adjourned paper in the mail. On May 28th, on or about, I received a call from Attorney Reed Cumming to discuss a settlement. Attorney Cumming started off by saying my claim was not

worth very much. Because the air bags was not suppose to deploy even though the SUV was severely damaged in the front. My original claim was for \$300,000.00 but after he said that we started at \$25,000, Attorney Cumming and I agreed on \$15,000. I was told last year by Attorney Edward Wu this would not be cash but General Motors Shares (The New GM) Attorney Reed Cumming allowed me to believe I would receive \$15,000.00 in shares. At no time did Attorney Cumming explain to me this was pro rata, what pro rata was or what that meant. He did not tell me anything but this is the settlement amount and he would mail me the settlement papers. The conversation ended. He did not mention I would not receive the amount of settlement or how the shares would be distributed. Only when I received the papers dated 06/09/12 I read the papers and saw I would receive 3.6 shares or 3.9 shares per \$1000.00 of the settlement amount. I called Makala Whitman and asked her how much is a share and she stated \$22.00. I asked her do I receive \$66.00/1000.00 she stated I will have the Attorney that settled with you. Call you. I asked her what was pro rata and she explained. She stated All claimants receive this,

After talking with Attorney Whitman I read under "Frequently asked Question" No I would not receive the Settlement amount. At that time I knew Attorney Cumming left out the most important part of the Settlement. Had he disclosed this information I would not have settled on that amount. On 06/06/12 @ 11:29 AM Attorney Cumming called. I asked him why did he not mention prorata and I would only receive 3.6 Shares per 1000.00 of the Settlement amount. I told him this information would have altered the Settlement. I told him he purposely left this information out. Attorney Cumming stated "Well I am telling you now, you will receive 20% of the Settlement amount or you will receive nothing. If you do not accept it (20%) I will have your claim expunged." "Are you accepting this amount Ms Palmer?" I told him I would have to call him back, because the settlement deadline is June 29th 2012. He was trying to force me to take the 20% and I did not. Attorney Reed Cumming was very unprofessional and disrespectful. How can you make a settlement and the claimant receive 20% and the firm keeps 80%.

I also called Judge Gerber office and left a message for Haline Bloom to call me back with the guidelines of the Bankruptcy for Dickstein and Shapiro as well as GM to follow. I have lost all confidence in the attorneys at Dickstein and Shapiro. In June of 2011 their office failed to notify me of a hearing which at that time they were trying to expunge my claim, but I called and spoke to Edward Wu and he stated my claim was closed. He had no clue of me or my claim and I had to resubmit my papers at that time and it was reopened in 2011. Attorney Wu stated the attorney I sent my information to, was no longer with the firm. That Attorney Brooks ^{may} ~~may~~ have taken my information with him and to resubmit it to him and I did. It seems to me they are purposely not notifying the claimants and then expunging the claims. I caught this twice to keep my claim from being dismissed.

Thank You,
Sharon Palmer

MOTORS LIQUIDATION COMPANY GENERAL UNSECURED CREDITORS TRUST

Frequently Asked Questions

1.) Who is the Motors Liquidation Company General Unsecured Creditors Trust?

General Motors Corporation and certain subsidiaries (together, "Old GM") filed bankruptcy on June 1, 2009, in the United States Bankruptcy Court for the Southern District of New York (the "Court"). Soon afterward, Old GM sold substantially all of its operating assets to a new company called General Motors Company ("New GM"), and Old GM changed its name to Motors Liquidation Company ("MLC"). New GM is in operation today while MLC is in the process of winding down and liquidating. *Your claim was filed against Old GM, which is now known as MLC.*

In exchange for the sale of assets to New GM, MLC received (i) 10% of the common stock of New GM ("New GM Stock") (NYSE: GM), and (ii) two series of warrants, each entitling the holder to acquire one share of common stock of New GM, one series with an exercise price of \$10.00 per share (subject to adjustment) and an expiration date of July 10, 2016 (the "New GM \$10.00 Warrants"), and the other with an exercise price of \$18.33 per share (subject to adjustment) and an expiration date of July 10, 2019 (the "New GM \$18.33 Warrants," and together with the New GM \$10.00 Warrants, the "Warrants").

The MLC confirmed Chapter 11 Plan of Liquidation established a trust for general unsecured claims (the "GUC Trust"), and transferred certain claims, including yours, to the GUC Trust. *The GUC Trust is authorized to resolve your Claim.*

2.) How do distributions to Claimants under the Plan work?

No unsecured creditor, including you, will ever receive cash for their claims. The only assets available to satisfy your Claim are New GM Stock and the Warrants to purchase New GM Stock.

In order to receive New GM Stock and Warrants, a claimant must first have a claim that is "allowed" by the Court. Your Claim has not been allowed because the GUC Trust disputes the amount of your Claim. However, if you execute this Settlement, your Claim will become "allowed" in the amount shown as "Allowed Amount," and you will be entitled to receive your portion of the New GM Stock and Warrants on the next distribution date.

Did not discuss anything about this paragraph with me during settlement talks

3.) If I sign the settlement letter, will I receive stock and warrants equal to the Allowed Amount?

No, you will not receive stock and warrants equal to the Allowed Amount. You will receive your pro rata share of stock and warrants. As of December 2011, for every \$1,000 of allowed claims, unsecured creditors received approximately 3.9 shares of New GM Stock, approximately 3.6 New GM \$10.00 Warrants, and approximately 3.6 New GM \$18.33 Warrants. Additional follow-up distributions to claimants will likely occur in the future as the GUC Trust continues to resolve claims.

4.) How will I receive the stock and warrants?

Once you have an Allowed Claim, Wilmington Trust Company, the Trustee of the MLC GUC Trust, will provide written instructions on how to receive the distribution. You will need to provide a W-8 or W-9 (whichever is applicable) and certain brokerage account information. Your distribution of New GM stock and Warrants will be deposited directly into your account. If you don't have a brokerage account, Wilmington Trust Company will provide instruction on how to open an account.
