Re: *In re Motors Liquidation Company, et al.*
Chapter 11 Case No.: 09-50026 (MG):
Motion to Approve Amendments to the Second Amended and Restated Avoidance Action
Trust Agreement and Authorize the Avoidance Action Trust to Enter into a Capital
Provision Agreement (Docket No. 13957)

Dear Judge Glenn:

I own GM (old GM) bonds and the corresponding units.

While I appreciate the effort of Mr. Fisher and his team, I object to the motion (Docket No. 13957) for the following 2 reasons:

- After 8 years of litigations the recovery has been practically inexistent.
- The motion does not demonstrate how a recovery is possible within a foreseeable future.

Respectfully, for your consideration.

Sincerely,

Eric Bonneau
