APPLICATION OF OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR ENTRY OF ORDER AUTHORIZING THE RETENTION AND EMPLOYMENT OF FTI CONSULTING, INC., AS ITS FINANCIAL ADVISOR, *NUNC PRO TUNC* TO JUNE 3, 2009

The Official Committee of Unsecured Creditors (the "<u>Committee</u>") appointed in the Chapter 11 cases of General Motors Corporation, debtors and debtors-in-possession herein (the "<u>Debtors</u>"), submits this application (the "<u>Application</u>") for entry of an order, pursuant to sections 328, 1103(a) and 1103(b) of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1532, as amended (the "<u>Bankruptcy Code</u>"), Rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the "<u>Bankruptcy Rules</u>") and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the "<u>Local Bankruptcy Rules</u>"), authorizing the retention and employment of FTI Consulting, Inc. (together with its wholly owned subsidiaries, agents, independent contractors and employees "<u>FTI</u>"), as financial advisor to the Committee *nunc pro tunc* to June 3, 2009. In support of this Application, the Committee relies upon the declaration of Michael Eisenband (the "<u>Eisenband Declaration</u>"), which is attached hereto as <u>Exhibit A</u> and incorporated herein by reference, and respectfully represents as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b) (2). Venue of the Debtors' Chapter 11 cases and this Application in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

2. The statutory predicates for the relief sought herein are sections 328, 1103(a) and 1103(b) of the Bankruptcy Code, Bankruptcy Rules 2014(a), 2016 and 5002 and Local Bankruptcy Rule 2014-1.

BACKGROUND

3. On June 1, 2009 (the "<u>Petition Date</u>"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code.

4. On June 3, 2009, the Office of the United States Trustee for Southern District of New York, pursuant to section 1102 of the Bankruptcy Code, appointed the Committee to represent the interests of all unsecured creditors in these Chapter 11 Cases.

5. On June 3, 2009, the Committee interviewed several potential financial advisors and selected FTI as its financial advisors. Accordingly, this Application is made by the Committee for an order, pursuant to sections 328 and 1102 of the Bankruptcy Code and Bankruptcy Rule 2014, authorizing the Committee to retain FTI as its financial advisors, effective as of June 3, 2009.

6. On July 10, 2009, General Motors Company ("<u>New GM</u>"), formerly known as NGMCO, Inc. and successor-in-interest to Vehicle Acquisition Holdings LLC, completed the

2

acquisition of substantially all of the assets of Motors Liquidation Company ("<u>Old GM</u>"), formerly known as General Motors Corporation, and its direct and indirect subsidiaries, Saturn LLC ("<u>Saturn LLC</u>"), Saturn Distribution Corporation ("<u>Saturn Distribution</u>") and Chevrolet-Saturn of Harlem, Inc. ("<u>Harlem</u>", and collectively with Old GM, Saturn LLC and Saturn Distribution, the "<u>Sellers</u>"). The sale was consummated pursuant to the Amended and Restated Master Sale and Purchase Agreement, dated as of June 26, 2009, as amended (the "<u>Purchase</u> <u>Agreement</u>"), between Sellers and New GM. The Purchase Agreement was entered into in connection with the Sellers' filing of voluntary petitions for relief under the Bankruptcy Code in this Court, and was completed pursuant to Section 363(b) of the Bankruptcy Code (the "<u>363</u> <u>Sale</u>") and the Order of this Court dated July 5, 2009.

RELIEF REQUESTED

7. By this Application, the Committee requests authorization to retain and employ FTI as its financial advisors in these Chapter 11 cases (the "<u>FTI Committee Engagement</u>"). Specifically, the Committee respectfully requests entry of an order pursuant to sections 328, 1103(a) and 1103(b) of the Bankruptcy Code authorizing FTI to perform those financial advisory services that will be necessary during these Chapter 11 cases as more fully described below.

SERVICES TO BE RENDERED

8. Subject to the direction of the Committee and further order of this court, the professional services to be rendered by FTI will include the following:

- a. Review and analysis of the Debtors' sale procedures, including, but not limited to, assets and liabilities retained by the Debtors and transferred to New GM;
- b. Review and analysis of potential recoveries to unsecured creditors and related liquidation analyses;

- c. Review and analysis of cash flow budgets, including wind down costs and other transitional costs;
- d. Assistance in the review of reports or filings as required by the Bankruptcy Court or the Office of the United States Trustee, including, but not limited to, schedules of assets and liabilities, statements of financial affairs and monthly operating reports;

- g.. Analysis of assumption and rejection issues regarding executory contracts and leases, including, but not limited to, dealers, suppliers, and other counterparties;
- h. Validation of the Debtors' proposed restructuring or liquidation and sale plan and the business and financial condition of the Debtors generally;
- i. Advice and assistance to the Committee in negotiations and meetings with the Debtors, the banks and other lenders, the United States Treasury, Evercore Group, L.L.C., AP Services, L.L.C. and its affiliates, any other stakeholders and the financial and legal advisors for the aforementioned parties;
- j. Advice and assistance on any tax consequences of proposed sale transactions or other sale transaction;
- k. Assistance with the claims resolutions and procedures, including, but not limited to, analyses of creditors' claims by type and entity;

- n. Review and analysis of DIP and exit financing, including collateral analysis and cash flow validation; and

o. Other such functions as requested by the Committee or its counsel to assist the Committee in these chapter 11 cases.

9. Subject to this Court's approval of the Application, FTI is willing to serve as the Committee's financial advisors and to perform the services described above

QUALIFICATIONS OF PROFESSIONALS

10. The Committee has selected FTI as its financial advisors because of the firm's diverse experience and extensive knowledge in the field of bankruptcy.

11. The Committee needs assistance in collecting and analyzing financial and other information in relation to the Chapter 11 cases. FTI has considerable experience with rendering such services to committees and other parties in numerous Chapter 11 cases. As such, FTI is qualified to perform the work required in these cases.

DISINTERESTEDNESS OF PROFESSIONALS

12. To the best of the Committee's knowledge and based upon the Eisenband Declaration, FTI is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code.

13. To the best of the Committee's knowledge and based upon the Eisenband Declaration, FTI does not hold or represent an interest adverse to the estates with respect to the matter on which FTI will be employed, in accordance with section 1103(b) of the Bankruptcy Code.

14. To the best of the Committee's knowledge and based upon the Eisenband Declaration, (1) FTI's connections with the Debtors, creditors, any other party in interest, or their respective attorneys are disclosed at <u>Exhibit B</u> to the Eisenband Declaration, and (2) the FTI professionals working on this matter, to the best of their knowledge, are not relatives of the

5

United States Trustee of the Southern District of New York or of any known employee in the office thereof, or any United States Bankruptcy Judge of the Southern District of New York.

15. FTI has not provided, and will not provide any, professional services to the Debtors, any of the creditors, other parties-in-interest, or their respective attorneys and accountants with regard to any matter related to these Chapter 11 cases.

PROFESSIONAL COMPENSATION

16. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, applicable U.S. Trustee guidelines and the Local Bankruptcy Rules, FTI seeks payment for compensation as follows:

- a. From the commencement of the FTI Committee Engagement on June 3, 2009, to the date of closing of the 363 Sale¹, on an hourly basis ("<u>Hourly Compensation</u>"). FTI's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in this Application. These hourly rates are adjusted periodically.
- b. Upon expiration of the period covered by the fee arrangement in (a) above, a fixed fee of \$750,000 per month for each of the first three months and \$500,000 per month thereafter ("<u>Monthly Fixed Fee</u>"), prorated for any partial month until the Effective Date of the Plan of Reorganization or Liquidation. The Monthly Fixed Fee shall be subject to a periodic review by the Committee and FTI, and any proposed changes will be subject to Court approval.
 - i. For the periods covered by the Monthly Fixed Fee, FTI shall only be required to maintain time records for services rendered, in half hour increments.

17. In the normal course of business, FTI periodically revises its hourly rates. FTI requests that the rates listed below be revised to the hourly rates that are in effect at the time

¹ The 363 Sale closed on July 10, 2009.

services are rendered. The current normal and customary hourly rates for financial advisory services to be rendered by FTI and applicable herein are as follows²:

Level	Rates
Senior Managing Director	\$710 - \$825
Director/Managing Director	\$520 - \$685
Associate/Consultant	\$255 - \$480
Paraprofessional	\$105 - \$210

18. Additionally, FTI will be entitled to a completion fee of \$5.0 million (the "<u>Completion Fee</u>") upon the successful wind-down of the Debtors' estates (the "<u>Wind-Down</u>"). The Completion Fee will be considered earned and payable in two parts, as follows:

- a. \$2.5 million upon confirmation of a Plan of Liquidation, and
- b. \$2.5 million upon receipt by unsecured creditors of not less than 70% of the equity and warrants received by Debtors as proceeds from the 363 Sale (the "<u>Equity and Warrants</u>").

Notwithstanding the foregoing, to the extent there is insufficient liquidity in the estate to pay any portion of the Completion Fee, such amount cannot be satisfied out of the Equity and Warrants. In such an event, the unpaid portion of the Completion Fee will be eliminated.

19. Lastly, in addition to the fees noted above, FTI is entitled to receive reimbursement of actual and necessary expenses incurred by FTI throughout the FTI Committee Engagement.

20. If the FTI Committee Engagement is terminated without cause, the full Completion Fee will be due at termination.

21. FTI intends to apply to the Court for the allowance of compensation for professional services rendered and reimbursement of expenses incurred in accordance with the

 $^{^{2}}$ For FTI professionals located outside of the United States, local country rates will be converted to U.S. Dollars on a monthly basis.

applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules and Orders of this Court. FTI has agreed to accept as compensation such sums as may be allowed by the Court. FTI understands that interim and final fee awards are subject to approval by this Court.

INDEMNIFICATION

22. FTI and its affiliates, and their respective past, present and future directors, officers, shareholders, employees, agents and controlling persons (the "Indemnified Parties"), shall be indemnified and held harmless by the Debtors to the fullest extent lawful, from and against any and all losses, claims, damages or liabilities (or actions in respect thereof), joint or several, arising out of or related to the FTI Committee Engagement, any actions taken or omitted to be taken by an indemnified party in connection with FTI's provision of services to the Committee, or any transaction or proposed transaction contemplated thereby. In addition, the Indemnified Parties shall be reimbursed for any legal or other expenses reasonably incurred by them in respect thereof at the time such expenses are incurred; provided, however, that the Debtors shall have no liability under the foregoing indemnity and reimbursement agreement for any loss, claim, damage or liability which is finally judicially determined to have resulted primarily from the willful misconduct, gross negligence, bad faith or self-dealing of any Indemnified Party.

NOTICE

23. Notice of this Application has been given to (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Debtors, (iii) counsel for the Committee, and (iv) any other parties requesting notice. The Committee submits that, given the nature of the relief requested, no other or further notice of the relief requested is necessary.

8

24. No previous request for the relief sought herein has been made to this or any other Court.

WHEREFORE, the Committee respectfully requests that the Court enter an Order, substantially in the form attached hereto, (i) granting this Application, (ii) authorizing the Committee to retain and employ FTI as its financial advisors *nunc pro tunc* to June 3, 2009 to perform the services set forth herein, (iii) approving the indemnification as set forth in this Application, and (iv) granting such other and further relief as is just and proper.

DECLARATION OF MICHAEL EISENBAND IN SUPPORT OF THE APPLICATION OF THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR ENTRY OF AN ORDER AUTHORIZING EMPLOYMENT AND RETENTION OF FTI CONSULTING, INC., AS FINANCIAL ADVISOR NUNC PRO TUNC TO JUNE 3, 2009

I, Michael Eisenband, hereby declare and say:

1. I am a Senior Managing Director with FTI Consulting, Inc. (together with its wholly owned subsidiaries, agents, independent contractors and employees "FTI"), a financial advisory services firm with numerous offices throughout the country. I submit this Declaration on behalf of FTI (the "Eisenband Declaration") in support of the application (the "Application") of the Official Committee of Unsecured Creditors (the "Committee") appointed in the chapter 11 cases of Motors Liquidation Company, *et al.*, (f/k/a General Motors Corp., *et al.*,) the debtors and debtors-in-possession herein (collectively, the "Debtors"), for the entry of an order pursuant to sections 328, 1103(a) and 1103(b) of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1532, as amended (the "Bankruptcy Code"), Rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the "Local Bankruptcy Rules"), authorizing the retention and employment of FTI as financial advisor to the Committee *nunc pro tunc* to June 3, 2009, under the terms and conditions set forth in the Application.

Except as otherwise noted¹, I have personal knowledge of the matters set forth herein.

QUALIFICATIONS OF PROFESSIONALS

2. FTI is a firm offering financial advisory services to financially distressed and troubled companies and its constituents. The Committee has selected FTI as its financial advisors because of the firm's diverse experience and extensive knowledge in the field of bankruptcy. The Committee needs assistance in collecting and analyzing financial and other information in relation to the chapter 11 cases. The professionals of FTI have considerable experience with rendering such services to committees and other parties in numerous chapter 11 cases. As such, FTI is qualified to perform the work required in these cases.

SERVICES TO BE RENDERED

3. Subject to the direction of the Committee, and further order of this Court, the

professional services to be rendered by FTI will include the following:

- a. Review and analysis of the Debtors' sale procedures, including, but not limited to, assets and liabilities retained by the Debtors and transferred to New GM;
- b. Review and analysis of potential recoveries to unsecured creditors and related liquidation analyses;
- c. Review and analysis of cash flow budgets, including wind down costs and other transitional costs;
- d. Assistance in the review of reports or filings as required by the Bankruptcy Court or the Office of the United States Trustee, including, but not limited to, schedules of assets and liabilities, statements of financial affairs and monthly operating reports;
- e. Review of the Debtors' financial information, including, but not limited to, analyses of cash receipts and disbursements, DIP

budget, wind down budget, financial statement items and proposed transactions for which Bankruptcy Court approval is sought;

- f. Evaluation of employee issues, including, but not limited to potential employee retention and severance plans, review and analysis of pension funding and related liabilities, and other union related issues;
- g.. Analysis of assumption and rejection issues regarding executory contracts and leases, including, but not limited to, dealers, suppliers, and other counterparties;
- h. Validation of the Debtors' proposed restructuring or liquidation and sale plan and the business and financial condition of the Debtors generally;
- i. Advice and assistance to the Committee in negotiations and meetings with the Debtors, the banks and other lenders, the United States Treasury, Evercore Group, L.L.C., AP Services, L.L.C. and its affiliates, any other stakeholders and the financial and legal advisors for the aforementioned parties;
- j. Advice and assistance on any tax consequences of proposed sale transactions or other sale transaction;
- k. Assistance with the claims resolutions and procedures, including, but not limited to, analyses of creditors' claims by type and entity;
- 1. Review and analysis of potential fraudulent transfers, including specific transaction and forensic analyses;
- m. Litigation consulting services and expert witness testimony regarding confirmation issues, avoidance actions or other matters;
- n. Review and analysis of DIP and exit financing, including collateral analysis and cash flow validation; and
- o. Other such functions as requested by the Committee or its counsel to assist the Committee in these chapter 11 cases.
- 4. Subject to this Court's approval of the Application, FTI is willing to serve as the

Committee's financial advisors and to perform the services described above.

DISINTERESTEDNESS AND ELIGIBILITY

5. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtors, their affiliates and certain entities holding large claims against or interests in the Debtors that were made reasonably known to FTI. A listing of the parties reviewed is reflected on Exhibit A to this Declaration. FTI's review, completed under my supervision, consisted of a query of the Exhibit A parties within an internal computer database containing names of individuals and entities that are present or recent former clients of FTI. A summary of such relationships that FTI identified during this process is set forth on Exhibit B to this Declaration.

6. Based on the results of its review, and except as otherwise discussed herein, FTI does not have a relationship with any of the parties on Exhibit A in matters related to these proceedings. FTI has provided and could reasonably expect to continue to provide services unrelated to the Debtors' cases for the various entities shown on Exhibit B. None of the entities listed on Exhibit B exceeded 1.2% of FTI's annual revenue. FTI's assistance to the parties shown on Exhibit B has been related to providing various financial restructuring, litigation support and/or engineering and scientific investigation consulting services. To the best of my knowledge, except as otherwise discussed herein, no services have been provided to these parties in interest which are adverse to the rights of the Committee, nor does FTI's involvement in these cases compromise its ability to continue such consulting services.

7. On July 10, 2009, General Motors Company ("New GM"), formerly known as NGMCO, Inc. and successor-in-interest to Vehicle Acquisition Holdings LLC, completed the acquisition of substantially all of the assets of Motors Liquidation Company ("<u>Old GM</u>"),

formerly known as General Motors Corporation, and its direct and indirect subsidiaries, Saturn LLC ("<u>Saturn LLC</u>"), Saturn Distribution Corporation ("<u>Saturn Distribution</u>") and Chevrolet-Saturn of Harlem, Inc. ("<u>Harlem</u>", and collectively with Old GM, Saturn LLC and Saturn Distribution, the "<u>Sellers</u>"). The sale was consummated pursuant to the Amended and Restated Master Sale and Purchase Agreement, dated as of June 26, 2009, as amended (the "<u>Purchase Agreement</u>"), between Sellers and New GM. The Purchase Agreement was entered into in connection with the Sellers' filing of voluntary petitions for relief under the Bankruptcy Code in this Court, and was completed pursuant to Section 363(b) of the Bankruptcy Code (the "<u>363 Sale</u>") and the Order of this Court dated July 5, 2009.

8. FTI is engaged by Delphi Corporation ("<u>Delphi</u>") to advise Delphi in relation to the Delphi's ongoing Chapter 11 proceedings (the "<u>FTI Delphi Engagement</u>"). Delphi was incorporated as a wholly-owned subsidiary of the Debtors in 1998. Effective January 1, 1999 the assets and liabilities of certain businesses and divisions of the Debtors were transferred to Delphi and its subsidiaries and affiliates in accordance with the terms of a Master Separation Agreement between Delphi and the Debtors. In February 1999, Delphi commenced a public offering of 100 million shares of Delphi's common stock and in May 1999, the Debtors distributed its equity in Delphi to holders of record of certain of the Debtors' common stock.

9. Delphi was a supplier to and creditor of the Debtors prior to the closing of the 363 Sale. Historically, the Debtors had purchased product and provided financial support to Delphi. Subsequent to the closing of the 363 Sale we understand that New GM has assumed the Delphi contracts. We have sought to confirm our understanding with the Debtors and based upon reasonable inquiry of the Debtors professionals we understand that Delphi is no longer a creditor of the Debtors.

In order to maintain the confidentiality of the client information in connection 10. with FTI's engagement on behalf of the Committee (the "FTI Committee Engagement"), FTI will protect the client information through the use of its "Ethical Wall and Confidentiality Agreements" procedures. In conjunction with the foregoing, FTI has established and will maintain the following internal procedures: (i) each FTI professional on the FTI Committee Engagement ("FTI Committee Professionals") and the FTI Delphi Engagement ("FTI Delphi **Professionals**") shall execute a letter (a "**Confidentiality Letter**") acknowledging that he or she may receive certain nonpublic information and shall execute an Ethical Wall Agreement acknowledging that he or she is aware of the information wall in effect and will follow the information wall procedures therein; (ii) FTI Committee Professionals will not directly or indirectly share any nonpublic information generated by, received from or relating to Committee activities or Committee membership with FTI Delphi Professionals, and FTI Delphi Professionals will not directly or indirectly share any nonpublic information generated by, received from or relating to the FTI Delphi Engagement, with FTI Committee Professionals, except that a good-faith communication of publicly available information shall not be presumed to be a breach of the obligations of FTI or any FTI Committee or FTI Delphi Professionals under such information wall procedures; (iii) FTI is setting up electronic internal security walls to ensure that only FTI employees involved directly with or working on the FTI Committee Engagement may have access to the information, databases, e-mails, schedules or any other information relating to that engagement; (iv) FTI shall periodically monitor, consistent with its ordinary course compliance practice, communications through electronic means among FTI

Committee Professionals and FTI Delphi Professionals to ensure that such exchanges are performed in a manner consistent with the information wall procedures; (v) FTI shall immediately disclose to Committee counsel and the United States Trustee any material breaches of the procedures described herein. If FTI ceases to act as advisor to the Committee, it will continue to follow the procedures set forth above until a Plan of Liquidation has been confirmed in the Debtors' Chapter 11 Cases or the Chapter 11 Cases have been converted or dismissed.

11. FTI and/or its affiliates have had engagements involving the Debtors and non-Debtors affiliates, but such engagements did not pertain to these Chapter 11 proceedings, specifically:

- FTI's wholly owned economic consulting practice, Compass a. Lexicon ("FTICL"), was previously retained by one of the Debtors, specifically General Motors Corporation ("GM"), to perform damages analysis in connection with securities litigation. The securities litigation was settled prior to the bankruptcy filing of the Debtors, and a qualified settlement trust was established and funded for the benefit of impacted shareholders (the "FTI Damages Analysis Engagement"). In separate engagements, signed earlier this year, FTICL was retained on behalf the Debtors' US and Canadian employee profit sharing plans, both of which were shareholders of the Debtors during the relevant time period, and entitled to participate in the qualified settlement trusts. FTICL was retained to analyze and formulate their respective claims, and to review the claims determination of the administrators of the qualified settlement trusts. The fees for this work will be paid by the profit sharing plans from the claims distributions that will be received from the qualified settlement trusts. The qualified settlement trusts are not part of the Debtors' estate.
- b. FTICL was previously retained by GM in March 2009 to review potential economic issues related to a possible tender offer by GM to existing bondholders. FTICL's services were completed and billed in April 2009. FTICL received payment for these services in May 2009 in the amount of \$104,301.20.

c. FTI is currently engaged by General Motors Acceptance Corporation, Inc. ("<u>GMAC</u>"), an affiliate of the Debtors prior to the closing of the 363 Sale, to provide restructuring advisory services in relation to certain assets of GMAC and to enhance management reporting (the "<u>GMAC Engagements</u>"). The GMAC Engagements are wholly unrelated to the restructuring of GMAC's relationship with the Debtors. The Debtors divested their economic interest in GMAC pursuant to the 363 Sale.

12. Further, as part of its diverse practice, FTI appears in numerous cases, proceedings and transactions that involve many different professionals, including attorneys, accountants and financial consultants, who may represent claimants and parties-in-interest in the Debtors' cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys, law firms and financial institutions, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently and will likely in the future be working with or against other professionals involved in these cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Committee herein in matters upon which FTI is to be employed, and none are in connection with these cases.

13. FTI is not believed to be a "Creditor" with respect to fees and expenses of any of the Debtors within the meaning of Section 101(10) of the Bankruptcy Code. Further, neither I nor any other member of the FTI engagement team serving this Committee, to the best of my knowledge, is a holder of any outstanding debt instruments or shares of the Debtors' stock.

14. To the best of my knowledge, the FTI professionals working on this matter are not relatives of the United States Trustee of the Southern District of New York or of any known

employee in the office thereof, or any United States Bankruptcy Judge of the Southern District of New York.

15. As such, to the best of my knowledge, FTI does not represent any other entity having an interest adverse to the Committee in connection with this case, and therefore believes it is eligible to represent the Committee under Section 1103(b) of the Bankruptcy Code.

16. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties in interest in an expedient manner. If any new material relevant facts or relationships are discovered or arise, FTI will promptly file a Declaration Supplemental Declaration.

PROFESSIONAL COMPENSATION

17. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, applicable U.S. Trustee guidelines and the Local Bankruptcy Rules, FTI will seek payment for compensation as follows:

- a. From the commencement of the FTI Committee Engagement on June 3, 2009, to closing of the 363 Sale², on an hourly basis (the "<u>Hourly Compensation</u>"). FTI's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in the Application. These hourly rates are adjusted periodically.
- b. Upon expiration of the period covered by the fee arrangement in (a) above, a fixed fee of \$750,000 per month for each of the first three months and \$500,000 per month thereafter ("Monthly Fixed <u>Fee</u>"), prorated for any partial month until the Effective Date of the Plan of Liquidation. The Monthly Fixed Fee shall be subject to a periodic review by the Committee and FTI, and any proposed changes will be subject to Court approval.

² The 363 Sale closed on July 10, 2009.

i. For the periods covered by the Monthly Fixed Fee-, FTI shall only be required to maintain time records for services rendered, in half hour increments.

Additionally, FTI will be entitled to a completion fee of \$5.0 million (the "<u>Completion Fee</u>") upon the successful wind-down of the Debtors' estates (the "<u>Wind-Down</u>"). The Completion Fee will be considered earned and payable in two parts, as follows:

- a. \$2.5 million upon confirmation of a Plan of Liquidation, and
- b. \$2.5 million upon receipt by unsecured creditors of not less than 70% of the equity and warrants received by Debtors as proceeds from the 363 Sale (the "Equity and Warrants").

Notwithstanding the foregoing, to the extent there is insufficient liquidity in the estate to pay any portion of the Completion Fee, such amount cannot be satisfied out of the Equity and Warrants. In such an event, the unpaid portion of the Completion Fee will be eliminated.

19. Lastly, in addition to the fees noted above, in relation to the entire period of the FTI Committee Engagement, FTI would receive reimbursement of actual and necessary expenses incurred by FTI.

20. If the FTI Committee Engagement is terminated without cause, the full

Completion Fee will be due at termination.

21. To the best of my knowledge, (i) no commitments have been made or received by FTI with respect to compensation or payment in connection with these cases other than in

accordance with the provisions of the Bankruptcy Code and (ii) FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with these chapter 11 cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
