IT IS HEREBY STIPULATED AND AGREED, by and among counsel for the undersigned parties:

1. The remaining deadlines set forth in the August 3, 2016 Order are hereby amended with respect to all discovery other than the Cross-Claim Discovery, the UCC-3 Discovery and the Stayed Discovery, as follows:

Nov. 16, 2016	Completion of fact discovery for Representative Assets
Nov. 23, 2016	Initial expert reports due for Representative Assets
Dec. 21, 2016	Rebuttal expert reports due for Representative Assets
Jan. 27, 2017	Expert depositions completed and close of discovery for Representative Assets
Feb. 3, 2017	Letters to the Court as to whether any of the proposed issues set out in Paragraphs 2.a and 2.b below for possible discrete resolution should be briefed and decided prior to, or concurrently with but separate from,

trial on the Representative Assets. The parties shall propose a schedule for briefing any such issues in their letters. To the extent the Court or the parties determine that the issues set out in Paragraphs 2.a and 2.b should not be briefed and decided prior to, or concurrently with but separate from, trial on the Representative Assets, these issues will be addressed at trial on the Representative Assets.

Defendants also reserve the right to submit a letter to the Court on or before this date reiterating their request that the Court participate in plant visits as part of the Representative Assets trial or pre-trial process.

Mar. 1, 2017

Pre-trial briefs. The pre-trial briefs will address whether each of the Representative Assets is a fixture, as well as the value of each of the Representative Assets, including the issues identified in Paragraph 2.c below. The pre-trial briefs will also address any of the proposed issues set out in Paragraphs 2.a and 2.b below that are not being briefed and decided prior to, or concurrently with but separate from, trial on the Representative Assets.

May 19, 2017	Submission of post-trial briefs or proposed findings of fact and conclusions of law as the Court directs
May 26, 2017	Closing arguments
2 Weeks After Decision on Representative Assets	Parties meet and confer as to next steps, including discussing the possibility of mediation, and report to the Court as to the parties' intention expeditiously thereafter Parties also meet and confer as to the schedule for reopening of fact discovery and the appropriateness of summary judgment or additional trials on any issues not yet addressed by the Court, and report to the Court with a proposal for any such summary judgment motions, including briefing schedules, or additional trials expeditiously thereafter
Date(s) to be determined by the Court	Additional fact discovery and trials on any remaining issues not yet addressed by the Court that would aid in resolution of the action

2. The parties agree that the following issues may be suitable for resolution on summary judgment or during the trial on the 40 Representative Assets:
- A. Whether the defendants had a perfected security interest in the fixtures at the Lansing Delta Township Stamping and Assembly facilities as of June 1, 2009.
 - B. Whether the defendants had a perfected security interest in the fixtures at GM MFD Flint, Pontiac Powertrain Engineering Building, and GM MFD Fairfax.
 - C. Whether the three leased assets included among the Representative Assets (the "Leased Assets") are fixtures in which the Term Loan Lenders had a perfected security interest. In the interest of making the Representative Asset process as productive as possible, the Court will also decide at the Representative Assets trial: (i) whether the Leased Assets are fixtures; and (ii) the value of the Leased Assets.
3. All further discovery concerning any defense asserted by any defendant and Stayed Discovery with respect to Collateral Identification Issues and Valuation Principles Issues for collateral other than the Representative Assets shall be stayed until after the trial on the 40

Representative Assets. The schedule for resuming such discovery shall be determined after the parties meet and confer following the trial on the 40 Representative Assets. The parties, however, acknowledge that to the extent depositions of third-parties occur as part of UCC-3 Discovery or Cross-Claim Discovery, the parties will be permitted to ask questions related to any defense asserted by any defendant during such depositions in the interest of attempting to avoid additional burdens on third-parties.¹

4. All parties reserve the right to seek leave to move for summary judgment on any of the Defendants' defenses, the effectiveness of the UCC-3 filing at issue in this action or any other issues at any time. All parties reserve the right to oppose any such request, including on the grounds that such motions are premature for defenses where fact discovery related to such defenses has been stayed.

5. The parties agree that that the following issues should not be addressed in connection with the Representative Assets trial, and can be addressed if necessary after the parties have met and conferred regarding next steps following a decision on the Representative Assets:

- A. Categorization/valuation of remaining assets.
- B. Whether remaining leased assets are fixtures in which the Term Lenders had a perfected first priority security interest.
- C. All affirmative defenses not resolved through summary judgment
- D. All remaining cross-claim issues, including dispositive motions on cross-claims.

¹ Defendants have asked plaintiff to agree that the parties can seek additional third-party document discovery now regarding assets at General Motors in 2009 classified as "Construction Work in Progress," notwithstanding Stayed Discovery. Plaintiff has not agreed. Defendants intend to raise this dispute with the Court at the scheduled December 8, 2016 status conference if the parties have not been able to resolve the issue by that time.

E. Any other issue necessary to complete resolution of the action.
