## **TABULATION PROCEDURES**

7. Pursuant to the Disclosure Statement Approval Order, members of the Voting Classes were to return their Ballots to The Garden City Group, Inc., P.O. Box 9386, Dublin, OH 43017-4286, Attn: Motors Liquidation Company Balloting Center, or, if by hand delivery or overnight courier, to The Garden City Group, Inc., 5151 Blazer Parkway, Suite A, Dublin, Ohio 43017, Attn: Motors Liquidation Company Balloting Center, so as to be received by GCG no later than 5:00 p.m. (prevailing Eastern time) on February 11, 2011 (the “**Voting Deadline**”).

8. Upon GCG’s receipt of a Ballot:

(a) GCG personnel opened the envelope containing the Ballot and stamped it with the date and time received as well as assigning a sequential ballot number to the Ballot (the “**Sequence Number**”)<sup>4</sup>. GCG personnel then scanned the Ballot into GCG’s system; and

(b) GCG personnel then entered into a computer database reserved exclusively for recording votes in these cases all pertinent information from the Ballot, including the Sequence Number, the class to which the Ballot relates and date and time of receipt.

9. In accordance with the Disclosure Statement Approval Order, each Claim within a Voting Class was temporarily allowed for voting purposes in a dollar amount based upon the following:

(a) for Class 3 Claims:

(i) for Claims deemed Allowed pursuant to the Plan, the deemed Allowed amount set forth in the Plan;

---

<sup>4</sup> Labels containing ballot numbers 5791 through and including 5820 were inadvertently not used when numbering Ballots received on February 15, 2011, resulting in a gap in the Sequential Numbers. However, all Ballots received on February 15, 2011 have been accounted for and are included in this report.

- (ii) the liquidated amount of such Claim as set forth in a timely filed Proof of Claim (with the exception of Proofs of Claim filed in the amount of or reduced to \$0.00, the holders of which were not entitled to vote);
  - (iii) if a Proof of Claim was not timely filed, the amount of such Claim as set forth in the Debtors' Schedules to the extent that such Claim was not scheduled as contingent, unliquidated or disputed;
  - (iv) if a Proof of Claim was timely filed in a wholly unliquidated amount, a voting amount equal to \$1.00;
  - (v) if a Proof of Claim was timely filed in a partially liquidated amount, a voting amount equal to the liquidated portion of the Claim;
  - (vi) if, at least ten (10) days prior to the Voting Deadline (*i.e.*, by February 1, 2011), the Debtors or another party-in-interest filed an objection to reduce a Claim, the voting amount as set forth in the objection; and
  - (vii) if a Proof of Claim was timely filed in a currency other than U.S. Dollars, a voting amount equal to \$1.00; and
- (b) for each Class 5 Asbestos Personal Injury Claim, a voting amount equal to \$1.00.

10. Pursuant to the Disclosure Statement Approval Order and GCG's customary practice, GCG tabulated all of the Ballots and Master Ballots in accordance with the following procedures:

- (a) When more than one timely, properly completed Ballot or Master Ballot was received on account of the same Claim, only the Ballot or Master Ballot bearing the earliest date was counted unless the holder of the Claim received Bankruptcy Court approval to have the Ballot or Master Ballot bearing a later date counted;

(b) Ballots cast by a holder of multiple Claims against multiple Debtors based on the same transaction (*e.g.*, a Claim against Debtor “A” that was guaranteed by Debtor “B”) were counted as one vote for numerosity purposes in the dollar amount of the primary obligation for purposes of the Consolidated Tabulation (as defined below), and were counted as one vote in the dollar amount of the applicable Claim against each of the Debtors against which a Claim was asserted for purposes of the Per Debtor Tabulation (as defined below); and

(c) Ballots cast on account of multiple claims against the same Debtor were tabulated as though such holder had only one Claim in the applicable Class against that Debtor with such Ballots counted as one vote for numerosity purposes in the aggregate dollar amount of such Claims in the applicable Class, for purposes of both the Consolidated Tabulation and the Per Debtor Tabulation.

11. In accordance with the Solicitation Procedures Order, the following Ballots (and Master Ballots and/or individual votes recorded on Master Ballots, as applicable) were not counted or considered for any purpose in determining whether the Plan has been accepted or rejected:

(a) Ballots subject to a pending motion pursuant to Bankruptcy Rule 3018(a) filed by the holder of an underlying Claim unless temporarily allowed by the Bankruptcy Court for voting purposes pursuant to an order entered at least five (5) days prior to the Voting Deadline (*i.e.*, by February 5, 2011);

(b) Ballots that did not indicate either an acceptance or rejection of the Plan or that indicated both an acceptance and rejection of the Plan;

(c) Ballots cast on account of Claims listed in the Schedules as contingent, unliquidated or disputed, for which no proof of Claim was timely filed;

(d) Ballots within a particular Class, whether against the same or multiple Debtors, that partially accepted and partially rejected the Plan;

(e) Ballots received after the Voting Deadline unless the Debtors, on notice to the Creditors' Committee, granted an extension of the Voting Deadline with respect to such Ballot;

(f) illegible Ballots or those containing insufficient information to permit the identification of the holder of the Claim;

(g) Ballots cast by a person or entity that did not hold a Claim in a Class entitled to vote to accept or reject the Plan;

(h) unsigned Ballots or those lacking an original signature;

(i) Ballots transmitted to GCG by facsimile, electronic transmission or other electronic means; and

(j) Ballots cast on account of Claims that are the subject of an objection to expunge such claims filed on or before February 1, 2011.

12. GCG complied in all respects with the provisions of the Disclosure Statement Approval Order, including as to provisions thereof not explicitly set forth herein. In addition, GCG made efforts to cure certain Ballots either via letter or via telephone call.

13. Ballots received are in GCG's possession and are available for review during GCG's regular business hours at The Garden City Group, Inc., 5151 Blazer Parkway, Suite A, Dublin, Ohio 43017.
